

				UI BUG REPORT						
Bug ID	Title	Description	Steps to reproduce	Expected Result	Actual Result	Severity	Priority	Status	Screenshots	Dev Commit
EDVO_UI_001	Splash screens appear before Sign-in page instead of after Sign-up flow	In Figma, users first see the Sign-in screen, then after signing up, three splash screens appear. In the APK, the splash screens show first, then the Sign-in page appears, which breaks the intended flow.	1. Open the app APK 2. Observe that splash screens appear immediately 3. After splash screens, the Sign-in page loads 4. Compare with Figma where splash screens appear only after Sign	Splash screens should appear after completing Sign-up.	Splash screens appear first, before the Sign	Major	P2	Re-test	Edvo Bug.mp4	
EDVO_UI_002	Inconsistent button placement on Forgot Password screens	In the Figma design, all three "Forgot Password" screens have buttons aligned at the same horizontal position, but in the APK, their alignment is inconsistent.	1. Open the Edvo app APK 2. Navigate to the Forgot Password screens 3. Proceed through OTP verification and Reset Password screens 4. Observe the button positions on all three screens	All three screens should have their primary buttons aligned at the same horizontal position, matching the Figma design.	Button positions are inconsistent; some are placed higher or lower than others.	Major	P1	Re-test	Edvo Bug 1.mp4	
EDVO_UI_003	Unreadable text and background mismatch in "Start a Quiz" section on Home Screen	On the Edvo APK Home Screen, the "Start a Quiz" card text has poor contrast and the background image differs from the Figma design.	1. Open the Edvo app APK 2. Navigate to the Home Screen 3. Scroll to the "Start a Quiz" section 4. Compare the text readability and background image with Figma	Text should be clearly readable as in Figma, with proper contrast. Background image should match the design.	Text is hard to read due to low contrast, and the background image is different from	Minor	P2	Pending	Edvo Bug 2.png Edvo Bug 2 Figma.jpg	
EDVO_UI_004	Inconsistent button label in "Continue Learning" cards across horizontal scroll	In the "Continue Learning" section, the first card shows the correct "Resume Learning" label, but swiping to other cards changes it to "Start Learning," which doesn't match the Figma design.	1. Open the Edvo APK 2. Navigate to the Home Screen --> Continue Learning section 3. Observe the first card; button says Resume Learning 4. Swipe horizontally to the next card 5. Observe that the button changes to Start Learning	All cards in the Continue Learning section should consistently display the button label as "Resume Learning" if it matches the Figma design.	First card shows Resume Learning; next card shows Start Learning.	Minor	P2	Re-test	Edvo Bug 3.mp4	
EDVO_UI_005	Missing topics and questions in Help Center compared to Figma design	In the Edvo Help Center module, several topics and FAQs shown in the Figma design are missing in the APK.	1. Open the Edvo APK 2. Go to the Help Center 3. Compare the number of topics and questions with what is shown in the Figma design 4. Notice that several FAQs or entire topics are missing	All topics and associated questions shown in the Figma design should be present and visible in the APK.	Some Help Center topics and questions are missing in the APK but are available in the Figma design.	Minor	P2	Pending	Edvo Bug 4.webm	
EDVO_UI_006	Logout does not redirect user to login screen after success message	In the Edvo APK, clicking Logout shows a success message but doesn't redirect to the Login screen as per the Figma design.	1. Open the Edvo APK 2. Login and go to the Settings screen 3. Tap the Logout button 4. Observe the success message 4. Note that the app does not navigate to the login screen	After logout success, the user should be redirected to the Login screen, matching the Figma flow.	Logout success message is shown, but the	Major	P0	Re-test	Edvo Bug 5.mp4	
EDVO_UI_007	"Resend OTP in 59s" text missing from Send OTP screen and appears on wrong screen	In the APK, the "Resend OTP in 59s" text is missing from the Send OTP screen and appears on the Enter OTP screen instead, unlike the Figma design.	1. Open the Edvo APK 2. Go to the Send OTP 3. Observe that the timer text does not appear 4. Proceed to the Enter OTP screen 5. Notice that the "Resend OTP in 59s" appears here instead	The text "Resend OTP in 59s" should appear on the Send	Text is missing on the Send OTP screen and	Minor	P2	Pending	Edvo Bug 6.mp4	
EDVO_UI_008	Copy icon does not trigger chat popup on Course Details screen	In the Figma design for the Course Details screen, there is a copy icon intended to trigger a chat popup when tapped	1. Open the Edvo APK 2. Navigate to the Course Details screen 3. Locate the copy icon as shown in Figma 4. Tap on the icon 5. Observe that no chat popup appears	Tapping the copy icon should immediately open a chat p	The icon does not perform any action - no	Major	P0	Pending	Edvo Bug 7.jpeg	
EDVO_UI_009	Wallet does not open from the Quiz Result screen	In the APK, clicking View Wallet on the Quiz Result screen shows the message "Phantom wallet should open directly."	1. Open the Edvo APK 2. Enter course details, take a quiz > answer questions 3. On the Quiz Result screen, click View Wallet	Phantom wallet should open directly.	Message appears instead of opening wallet	Major	P1	Re-test	Edvo Bug 8.jpeg
